TOGETHER, WE WILL.

UNITED WE FIGHT. UNITED WE WIN.

United Way fights for the health, education, and financial stability of every person in every community. But we are more than fund-raisers. We are hand-raisers. We raise our hands not only to lead the fight, but to reach out to people who need help. And hope.

We win when we Live United. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against their community's most daunting social crises.

So who are the hand-raisers, the game-changers? They're people who know that at the core of every human being is a desire to do good. Who recognize the power that comes from a shared purpose. Who understand they're always stronger together than they are alone. In Oshkosh, it means people like you.

Oshkosh Area United Way needs you to join the fight. Because your passion, expertise and resources will help the fight become a win. A win that's not just a short-term contribution, but a long-term solution.

We fight for people like Sarah, who arrived at the warming shelter after losing her housing. Legally blind, Sarah worked with shelter staff to secure a housing voucher and locate an apartment accessible for a person with a disability.

We are part of a network of 1,800 United Ways in 41 countries and territories. But the place that needs you most is right here, in Oshkosh.

So raise your hand if you're ready to be that game-changer. Because United we fight, United we win. We have one life. To live better, we must Live United. Please join the fight!
