WHAT DOES UNITED WAY DO?

Oshkosh Area United Way is more than just a fundraiser. Working together with dedicated experts, we identify crucial community needs, implement ideas to support the most vulnerable population and fund local programs that are improving the quality of life for residents each and every day. **1 in 3** people in Oshkosh benefit from United Way supported programs.

A donation to Oshkosh Area United Way is the most effective way to support your community. **Over 99% of the money raised during the annual campaign stays here in the Oshkosh community.** We magnify the impact of your donation by ensuring funding goes to area programs that demonstrate measurable results and truly make a difference. **UNITED**, we can win the fight against poverty, mental illness and obstacles to early-childhood education. if we all live as one - if we make our neighbors' struggles, our struggles. Together, we can be the change-makers that find new solutions to old problems so that every person and every family in our community thrives.

When we **FIGHT** together for our community, everyone **WINS**.

MENTAL HEALTH

There is a growing need to support mental health in the Oshkosh area. We financially support programs that connect residents to health and human services, provide healing and crisis intervention and promote positive social connectivity.

STEPS TO A LIVING WAGE

Oshkosh Area United Way supports efforts to create financially stable, self-sufficient households by supporting programs that improve skills to successfully gain employment, reduce transportation barriers and provide basic needs such as food, clothing and shelter.

EARLY CHILDHOOD EDUCATION

Expanding and providing access to high-quality childcare and education is among the smartest investments we can make. We fund programs that provide parents and children with tools to encourage early childhood development and overall school and career readiness.

GIVE

Donors are the change-makers in the community! Your donation is an investment in the well-being of your friends, co-workers and neighbors. Be Bold for One Another is not just a slogan, it is a challenge to everyone to boldly give back to this great place that we all call home!

ADVOCATE

Tell your friends, family and colleagues about the life-changing things United Way is doing in the community! Encourage them to join you in sharing their time and financial gifts.

VOLUNTEER

Giving back to your community doesn't always mean financially - you can also give generously with your time and talent by volunteering!
