LEAD. SERVE. CONNECT.

Our hearts were moved to become United Way Leadership Givers when we learned of the poverty facing children in Oshkosh Schools. Without the advocacy of OAUW, we wouldn't have known this was happening right here in Oshkosh. The numbers were staggering and that's when we made a commitment to be a part of the solution.

We want to personally invite you to become a leadership giver today to help us build momentum in fighting our community's most complex challenges.

Ryan & Monica Wolf | Emerging Leaders Since 2014
