

# EMERGING LEADERS

LEAD. SERVE. CONNECT.

## WHAT IS EMERGING LEADERS?

Oshkosh Area United Way Emerging Leaders is a network of service-minded, young professionals, creating a lasting impact in our community.\* Members connect with their community and other leaders through professional development, educational opportunities, volunteerism, and networking events.

Through these unique opportunities, members leverage the power of United Way to connect, serve and grow — both personally and professionally.

***Emerging Leaders have access to these valuable benefits:***

### EXCLUSIVE INSIGHT

- Annual community projects
- "Behind the scenes" tours of partner agencies
- Volunteer opportunities for individuals and families

### PERSONAL AND PROFESSIONAL DEVELOPMENT

- TELTalks: Today's Emerging Leader Talks are bi-annual events offered to provide executive level professional development opportunities.
- Steering or Grant Committee Opportunities: Serve on a committee to develop skills and create a path to Board positions.

### SOCIAL AND PROFESSIONAL NETWORKING

- Meet and mingle
- Roundtable discussions
- Unique fundraising opportunities

\*Recommended for **ages 40 and under, giving \$500 or more per year** to Oshkosh Area United Way.

Being actively involved as an OAUW Emerging Leader allows me to proactively give back to our local community where it is needed most.

Through our volunteering opportunities, I have gained a deeper understanding of the need throughout our community and the variety of opportunities to give back.
