

UNITED IS THE WAY™ TO REDUCE HARDSHIP IN OUR AREA

Residents at Miravida Living donated hygiene items from their collection drive.

The **Oshkosh Area United Way (OAUW) Community Vault** is here to support you with **free basic need items—year-round**. Stocked through generous donations from community members, area organizations, and local companies, the Community Vault is a centralized inventory of hygiene products, paper goods, school supplies, diapers, cleaning essentials, and seasonal gear. It's available to nonprofits, schools, and programs serving individuals and families in Oshkosh and the surrounding area.

You, your staff, or your volunteers are welcome to “shop” the Community Vault—selecting the items that best support your clients or agency space. ***A detailed list of commonly available items can be found on the back of this flyer.***

Use the Community Vault to stretch your budget, serve more people, and fill gaps in care. We're here to help.

HOW TO ACCESS THE OAUW COMMUNITY VAULT

All items are free of charge to area organizations. Together, we're helping stretch limited dollars so individuals, families—and even your organization—don't have to make tough choices between covering basic needs, utilities, and more.

United is the Way to reduce hardship and strengthen the safety net across the Oshkosh area.

Commonly Request Items—Free for You to Access

Thanks to generous donations from individuals, local companies, and community groups, the items listed below are **often available** through the Community Vault. These supplies are intended for **nonprofits, schools, and local programs** to help support individuals and families in the Oshkosh area.

All items are **free of charge** and can be used to meet client needs or stock your agency space.

If you notice a recurring need that isn't listed, please reach out—we may be able to help or add it to future collection efforts.
