

Help Us Put More Books Into the Hands of Local Children

Every child deserves the joy of a new book.

Thanks to the generosity of our community and our partnership with Dolly Parton's Imagination Library, **eligible children from birth to age 5 can receive a new, age-appropriate book every month at no cost to their families.**

Early literacy builds language, imagination, and confidence, helping children reach their full potential.

How You Can Help

SHARE

Know a family with a child ages 0-5? Let them know they may be eligible to receive a book every month at no cost to them.
